## HATS Productions Presents Stories of Some Remarkable Australians "People on our Currency"

HATS Productions provides school incursions that relate stories about remarkable Australians who can be inspirational role models for students. With opportunities for students to be part of the show, these presentations are suitable for middle primary to middle secondary students. The presentations have been well received in schools since HATS started in 2013. Testimonials can be read on the website.

*"Currency People with Current Stories"*

This presentation describes how both Mary Reibey and Edith Cowan overcome setbacks in life to become successful and valued people in society. Mary Reibey rose from a child convict to one of Sydney's most significant business people. Edith Cowan gained strength from tragedy and rose to prominence in social justice and social service for the people of Western Australia, culminating in becoming Australia's first female Member of Parliament. A brief overview of Caroline Chisholm, David Unaipon and John Flynn is also included.

Duration: 45-50 minutes
